Find a passport service location near you

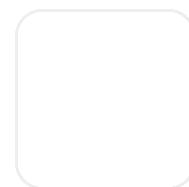

You can submit your application at a Service Canada Centre or a passport office, depending on when you need your passport.

i We have **new measures to help manage wait times at passport offices** in Toronto, the Greater Toronto Area (GTA), Montréal, Vancouver, Calgary, Edmonton, Gatineau and Quebec City. We'll prioritize those who need a passport within 48 hours. We'll make arrangements for people with longer term travel plans to be served at other locations.

- In most cases, we recommend booking an appointment to make sure you get passport services that day.
- Walk-in services may be available. If the location is busy, you may need to wait or they may ask you to come back another day.
 - You can [check walk-in wait times at passport offices](#).
